

**Systems Engineering Advancement Research Initiative**

2009 SEARi Annual Research Summit

## Participant Feedback

Dr. Donna H. Rhodes (*Director and Principal Research Scientist, SEARi*)

October 20, 2009

Cambridge, MA

Massachusetts Institute of Technology

**MIT ESD**

Engineering Systems Division

# Feedback on Summit

- Open forum
  - Overall or specific impressions/opinions
- Desired feedback
  - What do you see as role of epoch-based thinking in your organization?
  - What similar or complementary approaches do you currently use?
  - What types of problems can tackled using these approaches?
- Suggestions for future
  - Research
  - Summit

**Please continue to interact with SEARI after the summit!**
